

build output - deliverable check

=====

```
12:01:33 compile      ok (4.2s)
12:01:39 link        ok (0.8s)
12:01:41 tests       712 pass, 0 fail
12:01:44 package     conch-0.2.1.tar.gz (18MB)
```

A plain-text deliverable must render dark and monospace,
never as a white system page inside a dark app.
